

BOEING

MILITARY PLATFORMS

Flightline Systems Indicators have been installed on many Boeing Military Fixed and Rotary Wing Aircraft. Today we manufacture and support Instruments for new production aircraft as well as support existing fleets. We are proud of the long standing relationship we have maintained with the Boeing company and we stand ready to support you and your fleet.

Aircraft	Part #	Cust P/N:	Description	Product Type
CH-46 Platform				
CH-46	152LUA44-2	A02VS805-1	Cruise Guide Indicator	Electro-Mechanical
CH-46	61101-04	A02ES105-1	Temperature Indicator	Electro-Mechanical
CH-47 Platform				
CH-47	147B51-1		Temperature Indicator	Electro-Mechanical
CH-47	152BUA34-2	114VS805-3	Cruise Guide Indicator	Electro-Mechanical
CH-47	152BUA40	145ES004-1	Liquid Level Indicator	Electro-Mechanical
CH-47	152BUA41	145ES004-2	Liquid Level Indicator	Electro-Mechanical
CH-47	152LUA38	414VS805-1	Cruise Guide Indicator	Electro-Mechanical
CH-47	152LUA40B	414ES274-2	AFT Cyclic Trim Indicator	Electro-Mechanical
CH-47	152LUA40C	414ES274-3	AFT Cyclic Trim Indicator	Electro-Mechanical
CH-47	61001-46	414ES100-9	PTIT Indicator	Electro-Mechanical
CH-47	61001-47	414ES100-10	PTIT Indicator	Electro-Mechanical
CH-47	61001-48	414ES100-11	PTIT Indicator	Electro-Mechanical
CH-47	61401-25	414ES202-5	Dual Engine Oil Temp. Indicator	Electro-Mechanical
CH-47	61401-26	414ES202-6	Dual Engine Oil Temp. Indicator	Electro-Mechanical
CH-47	61541-01	414ES205-1	Dual Hydraulic Pressure Indicator	Electro-Mechanical

SERVICE AND SUPPORT

- In House FAA/EASA (FSYR483X) approved repair station
- Product design authority
- Complete component traceability
- Certified Material
- Knowledgeable and trained staff
- Established Industry Partnerships

For further info please contact us at:
repair@ultra-fei.com

AFTERMARKET SUPPORT

- Strategic Authorized Distributors

For current listing please contact us at:
marketing@ultra-fei.com
